AORN LOS ANGELES CHAPTER 0507

Perioperative Patient Safety Seminar and 2nd Mini Convention 2023

Shriners for Children Medical Center, Pasadena, CA

November 11, 2023 0730 am – 0430 pm

Overview:

The Perioperative Patient Safety Seminar is intended for Registered Nurses in the Perioperative and Procedural fields. It explores potential safety issues within the Perioperative and Procedural settings and discusses some strategies to manage these patient safety issues.

Who should attend:

- Nurses from any size or type of health care organization
- Nurses from ambulatory and independent outpatient surgical centers, and similar organizations
- Hospital Administrators / Chief Nursing Officers / Director of Nursing
- Perioperative Nursing Leaders / Supervisors / Managers / Directors
- Clinical Nurse Educators / Professional Development Staff
- Clinical Registered Nurses
- Infection Control Nurses / Practitioners
- Nursing Faculties and Students

Attend this high-energy, celebratory conference to:

- Partner, engage, and connect.
- Learn and recognize perioperative best practice among peers.

Registration Fees:

- AORN Members - \$50
- Non-AORN Members - \$75
- Students - \$25

Why Attend:

- Network, learn and develop solutions with nursing colleagues and administrators to align your perioperative environment, increase nurse job satisfaction and retention, improve organizational outcomes etc.

AORN LOS ANGELES CHAPTER 0507

Learning Objectives:

At the completion of this activity, the perioperative and procedural Registered Nurse should be able to identify and respond to potential safety issues within the Perioperative and Procedural settings.

Continuing Education Unit:

- 6 Contact Hours is available through this seminar.
- AORN – LA Chapter (0507) is an approved provider of nursing continuing professional development by the California Board of Registered Nursing. Provider Number CEP 17681.
- To be awarded 6.0 continuing professional development hours, the participant must attend the entire program and complete the evaluation tool.
- Certificate of Completion will be emailed within 2 weeks after the event.

New Product and Technologies:

- Take the opportunity to discover new products and technologies available in the market. Our industry partner will be available onsite to assist you.

Conference Attire:

- Business Casual is encouraged.

Health Protocol:

- Los Angeles County and Hotel host health protocols will be followed.
- Wearing of Face Mask is encouraged.

Parking:

- Free parking courtesy of Shriners Children's Southern California.

Cancellation and Refund Policy:

- 90 % refund - for cancellations received up to 30 days before the event,
- 50 % refund - for cancellations received up to 20 days before the event,
- No refund for cancellations received 19 days or less before the event.

AORN LOS ANGELES CHAPTER 0507

SPEAKERS

“Advocacy: The Heart of Perioperative Practice”

William “Bill” Duffy RN, MJ, CNOR, FAAN
Program Director Nursing and Healthcare Administration
Loyola University of Chicago

Mr. Duffy received his BSN and his Master of Jurisprudence in Health Law from Loyola University of Chicago. Bill’s background is in perioperative nursing. His perioperative career included the roles of staff nurse, manager, director and vice president. Mr. Duffy is a CNOR (1988). Bill is active in AORN. He recently served on the Board of Directors and he is a Past President of AORN (2004-2005). During his tenure he led the association’s effort to eliminate wrong site surgery.

“Perioperative Nurse Certification and the Impact on Patient Safety”

Marian Kleinman MBA, BSN, RN, CNOR(E), CSSM
Secretary & Treasurer, Board of Directors
Competency Credentialing Institute

Since 1952

Los Angeles - 0507 *

AORN LOS ANGELES CHAPTER 0507

SPEAKERS

“Shaping our Future Through Diversity, Equity, and Inclusion”

Daphney Peneza MSN, RN, CNOR, CSSM, FAORN
 Perioperative Services Manager – Neurosurgery and Otolaryngology
 Vanderbilt University Medical Center

Daphny Peneza is a Perioperative Manager at Vanderbilt University Medical Center. Ms. Peneza’s collaborative ventures include serving as Project Head of a Covid – 19 Task Force and Lead Author for the Perioperative Chapter of the Core Curriculum for Neuroscience Nursing. Her advocacy is centered on building strong teams: sustaining engagement as AORN Chapter/Specialty Assembly Leader and most recently by shaping the future of perioperative practice as AORN Nominating Committee Member.

“HOT Topics in Surgery - Strategies for Surgical Fire Safety”

Kamil Makhnejia MBID
 VP of Clinical Development
 Jackson Medical

Professionally, Kamil is a co-founder and VP of Clinical Development of a medical device company called Jackson Medical. Based out of Atlanta, GA, Kamil helps bridge unmet needs of healthcare with innovative medical technologies, such as the company's flagship device GloShield which focuses on surgical fire safety. With a background in biomedical engineering, Kamil has experience taking a human-factors approach to consider users, protocols, workflows in the design and launch of new solutions.

AORN LOS ANGELES CHAPTER 0507

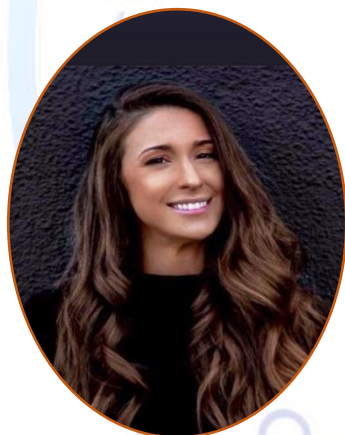

SPEAKERS

“Tissue Banking: Past, Present and Future”

Ursula Bingamon MPH, BSN, CWS, CTBS, DWC
National Clinical Wound Specialist
LifeNet Health

Ursula is a registered nurse, a certified wound specialist and tissue banking specialist. She provides education/support to providers, nurses, and surg techs. She graduated nursing school from Xavier and earned her Master in Public Health - community concentration from Columbia Southern and was inducted into Omega Nu Lambda and Sigma Alpha Pi Honor Society and is a Presidential Scholar. She is a published clinician and holds several professional accolades.

“Clear the Air: The Time is Now”

Sidney Hoff RN, BSN
Clinical Representative
CONMED - Advanced Surgical

Sidney Hoff is a registered nurse and Clinical Representative with CONMED who has worked in the operating room since 2013. Her career in healthcare was initiated working as a radiology technologist, but soon after she threw herself into nursing school. Sidney then started a position as a circulating nurse with a specialization in Neuro, ENT, and Head/Neck oncology while also serving a variety of other surgical teams. However, it wasn't until 2021 when she discovered the dangers of surgical smoke lingering within operating rooms. Since then, she has been serving in an educational role with CONMED, where she advocates and assists healthcare facilities in achieving surgical smoke-free environments.
